

# Help Make Our Wishes Come True Sponsor a Horse

Our horses are the single most important part of our therapy programs. Pumpkin, Rudy, Skipper, Bella, Clacky, and Lucky work hard every day to help our riders achieve their goals. Our monthly cost per horse is \$550; that does not include incidentals such as veterinary, dental, or hoof care.

Your gift will help us continue to provide high quality care for our sweet, loving, and magnificent horses. Do you want to support our horses in a big way? Become a *Premier Sponsor* and we'll acknowledge you on our website, social media and a plaque at the stables. Let us know if you'd like to sponsor a particular horse.
